

NEIGHBORHOOD LEGAL SERVICES, INC.

PROGRAM POLICY – REDISTRICTING

45 C.F.R 1632

February 20, 2019

It is impermissible for any individual, while engaged in legal services activities funded by Neighborhood Legal Services, including any subrecipients or employees of subrecipients, to advocate or oppose any plan or proposal, or to represent any party or to participate in any other way in litigation related to redistricting, or to make available any equipment for use in such activities. “Advocating or opposing any plan” means any effort, whether by request or otherwise, even if of a neutral nature, to revise a legislative, judicial, or elective district at any level of government including influencing the timing or manner of the taking of a census.

This policy does not prohibit any litigation brought under the Voting Rights Act of 1965 as amended, 42 U.S.C. 1971, et seq., provided such litigation does not involve redistricting.
